Lingu@net World Wide is an EU Commission funded project, taking the award winning Lingu@net Europa site one step further!

Lingu@net World Wide is a multilingual online resource centre for foreign language learning. The site provides information about, and links to good online resources from around the world relating to the learning and teaching of any language.

Lingu@net World Wide also offers support for adult learners on how to learn a language, how to assess your level and how to communicate with other learners online.

You can access the Lingu@net World Wide site in:
